# Student "Adulting" Inventories

## ADULTING

What do you want to be when you grow up? Are you tired of hearing that yet? Where do you even begin?

### 1. Personality/Career Interest Inventory:

One neat way to find out what careers might interest you is by taking a personality interest inventory.

- [www.16personalities.com/](http://www.16personalities.com/)
- [www.roguecc.edu/Counseling/HollandCodes/test.asp](http://www.roguecc.edu/Counseling/HollandCodes/test.asp)
- [www.scoir.com/](http://www.scoir.com/) (Your counselor will send you an invitation to join and create your account)

### 2. Career Research:

Once you have an idea of a career field that you want to learn more about, begin to plug away at how to get to your goal. When looking at career fields, ask yourself questions like: Do you have to have an advanced degree? Do you need to a certification in a specific industry?
